

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiff,

vs.

CAMARION ALMOND,

Defendant.

**4:24CR3032**

**ORDER**

Defendant has moved to continue the pretrial motion deadline, (Filing No. 20), because Defendant and defense counsel need additional time to fully review the discovery together and discuss the potential for pretrial motions. The motion was filed out of time by one day. The motion to continue is unopposed. Based on the showing set forth in the motion, the court finds good cause has been shown and the motion should be deemed timely submitted and, further, granted. Accordingly,

IT IS ORDERED:

- 1) Defendant's motion to continue, (Filing No. 20), is granted in part.
- 2) Pretrial motions and briefs shall be filed on or before June 27, 2024.
- 3) The conference call previously scheduled to be held on June 4, 2024, is continued. A telephonic conference with counsel will be held before the undersigned magistrate judge at 11:30 a.m. on July 2, 2024 to discuss setting any pretrial motion hearing needed, a change of plea hearing, or the date of the jury trial and deadlines for disclosing experts as required under Rule 16. Counsel for all parties shall use the conferencing instructions provided by the court to participate in the call.
- 4) The Court finds the ends of justice served by granting the motion to continue outweigh the interests of the public and the defendants in a speedy trial, and the additional time arising as a result of the granting of the motion, the time between today's date and July 2, 2024 shall be deemed excludable time in any computation of time under the requirements of the Speedy Trial Act, because although counsel have been duly diligent, additional time is needed to adequately prepare this case for trial and failing to grant additional time might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(1) & (h)(7). Failing to timely object to this order as provided under

this court's local rules will be deemed a waiver of any right to later claim the time should not have been excluded under the Speedy Trial Act.

Dated this 30<sup>th</sup> day of May, 2024.
